Lang & Reed 2009 Cabernet Franc - 'Two-Fourteen' - Napa Valley

"Bright blue fruit berry more than plum, a very pretty and subtle spice on the nose with some violet. The palate has some pretty floral components with a smooth texture. Impressions of camphor, lavender, and blackberry on the finish with hints of herb, coffee and chocolate."

Lang & Reed 2010 Cabernet Franc – North Coast

"Has a nose of cherry tart, a piercing firm red berry, pipe tobacco, and lavender. On the palate there is a robust dark plum, java and chocolate embodied in a highly textured mouth feel that provides a supple counter to the bright aromatics. It takes some time to fully blossom into smooth chocolate character with some firmness in the finish. It is much different than the 2009. Drink 2013 – 2017."
